Privacy Policy

1. The term "personal information " as used herein is defined as any information that identifies or can be used to identify, communicate with, or search for the person to whom such information relates. The personal information we collect will be subject to this privacy policy, as amended from time to time.

2. We request your email address, which serves as a login to log in to the applications.

3. The app requests access to your phone's camera so that you can add photos to the medicines you create.

4. The app requests access to the image library on your device to allow you to add images to medicines.

5. The app assigns an ID to your account and your device in order to store anonymized information about the current user and other user settings inside the app on the server.

6. Data about crashes inside the app can be sent to the developer.

7. The app is completely free for end users.

8. We ask you to register so that only you have access to the contents of your first aid kit and medication schedules.

9. The security of your personal information will not be compromised.

10. We do not send email newsletters.

Required permissions

1. With your consent, you can be sent push notifications with information from the app.
