

## **Privacy policy**

describes the Family locator app as a commercial application applications. This app is provided and intended for use "as is".

This policy is used to inform visitors about my rules for collecting, using and disclosing personal information, if someone decided to use my app.

If you decide to use my app, you will you agree to the collection and use of information in relation to this politics. The personal information I collect is used for providing and improving the app. I will not use or share your information with anyone other than as described in this privacy policy.

Terms used in this privacy Policy, have the same values as in our terms and conditions, which are available in "Family locator", unless otherwise defined in this Policy privacies.

### *Collection and use of information*

For a better experience, when using the app, I may require you are required to provide us with certain personal information, including, but not limited to email. Information that I the request will be saved on your device and will be used for authorization in the app.

The app uses third-party services that may collect information used for identification.

I want to inform you that whenever you use the IOC the app, in case of an error in the app, I collect data and information (via third-party products) on your phone under the name of the Log Data. This log data may include the following information such as your device's Internet Protocol address ("IP"), device name, operating system version, and configuration apps when using my service, time and date your use of the service and other statistics.

### *Cookies*

Cookies are files with a small amount of data, which are usually used as anonymous unique identifiers. They are sent to the browser from websites that you visit, and stored in the internal memory of the device.

The app does not explicitly use these cookies. However, the app can use third-party code and libraries that use "cookies" for collecting information and improving our services.

### *Service sector*

I can hire third-party companies and individuals for the following reasons reasons:

- To facilitate our service;
- Provide a service on our behalf;
- To perform services related to maintenance;
- To help us analyze how our service is used.

I want to inform users of this service that these third parties have access to your personal information. The reason is to perform tasks assigned to them on our behalf. However, they must not disclose or use the information for any other purpose.

### *Security*

I appreciate your trust in providing us with your personal information information, so I strive to use it commercially acceptable means of protecting it. But remember that no method transmission over the Internet, nor is the method of electronic storage 100% safe and reliable, and I can't guarantee it absolute safety.

### *Links to other sites*

The app may contain links to other sites and apps. If you click on a third-party link, you will be redirected to this site. Please note that these external sites are not managed I. Therefore, I strongly recommend that you read the the privacy policy of these websites. I don't control and I don't I take no responsibility for the content, policies the privacy practices or practices of any third-party sites or services.
